# JVC-Punto housing

All Weather Housing & Wall Bracket

## Part Numbers:

**JVC-PUNTO1**

With 230 Vac Heater

**JVC-PUNTO2**

With 24 Vac Heater

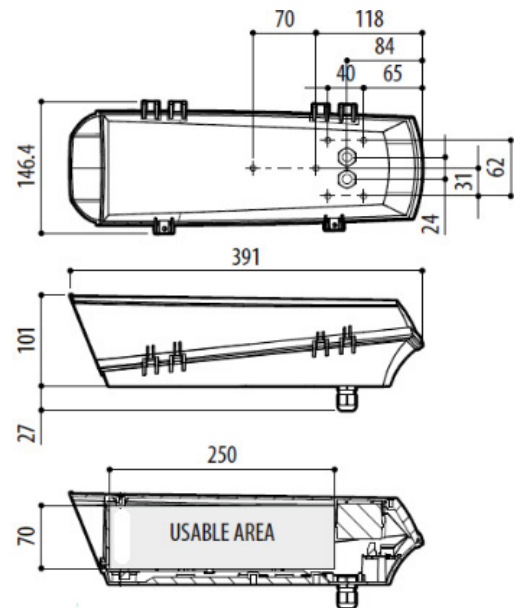

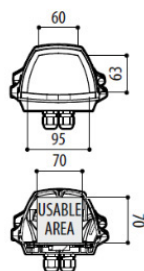

New side opening technopolymer housing option for security cameras.

JVC Professional is pleased to announce the launch of its new range of quality housing solutions. The new range, which provides mounting options for a wide range of JVC cameras, is suitable for both the Super LoLux™ and V.Networks ranges. Installers will benefit from JVC's time saving solution and all designs in the range are IP66 rated with a smooth, professional finish. To make installation simple, the housing offers a side opening and integral cabling through the bracket. Their high quality design and build are the perfect solution to complement JVC's industry-leading cameras.
